M<sup>r</sup>: Speaker and Gent<sup>m</sup>: } 28<sup>th</sup>: September: 1692

That wee have given many & repeated Instances (as you are pleased to say in yo<sup>r</sup>: Address delivered yesterday) of our hearty Desiers to establish this Province in peace & Safetey wee, hope y<sup>e</sup>: Journall of y<sup>e</sup>: last Assembly will Witness on our behalves & much y<sup>e</sup>: contrary on y<sup>e</sup>: greatest part of theirs y<sup>t</sup>: were then called together to consult w<sup>th</sup>: us of the best &, Speediest method for it, of which having failed by their Default wee Canot doubt but our calling you together at this time will be Lookt on by all unbyassed people as a fresh instance of our Continued earnest desiers still to attaine y<sup>t</sup> happy end, of which wee had Indeed assured our Selves of greater hopes then yo<sup>r</sup>: address, gives us, which is Soe vastly beyond what was Demanded by the Last Assembly y<sup>t</sup>: Instead of Reconcileing, it lookes more like bidding Defiance not onely to all peace, but reason Justice & Equity

Wee are unwilling M<sup>r</sup>: Speaker to believe y<sup>t</sup> Address had a due & mature consideration in the house, being unable to Comprehend y<sup>e</sup>: reason of those double locks & barrs viz) Indemnity from, & Confirmation of all Judiciall pceedings y<sup>t</sup>= past in the Last Government

What the meaning of these two fortifications, heaped on Each other is: We Cannot imagine, for the latter onely being granted Who: you designe the other for wee can only guess, For certainly on the part of any y<sup>e</sup>: Activest, or cruelest persons in the last Govern<sup>t</sup> neither lock nor barr will be needfull, they need doe noe more than stand in the open street w<sup>th</sup>: this Gracious Concession in

their hands, which being shewn, must like Medusa's head kill all the oponents that behold itt & how farr then an act of Indemnity will shrow'd those, whose properest interest it will bee to seeke it by this fatall turne of the Tables, or how or where they will obtaine it wee know not, but doe guess you well know (yo<sup>r</sup>: last demand being granted) it must Lye on the part of those who were y<sup>e</sup>: Eminentes Sufferers, in the last Govern<sup>t</sup>: to begg itt to secure their already halfe cutt Throats from the other Slash for our parts wee cannot possibly see what can be ascribed to us (whose owne Throats by the way must be exposed amongst y<sup>e</sup>: Rest) but by a mistaken act of mercy to Confirme nay heighten all the Crueltyes of the Last Govern<sup>t</sup>/

If this be the way to Establish peace and Safetey on Either part, m<sup>r</sup> Speaker wee must owne wee Understand it nott

Never the less M<sup>r</sup>: Speaker wee desire their may be: no stopp from proceeding to Enact Laws for the p<sup>r</sup>sent & future good of the Country & Wee shall endavo<sup>r</sup>: this Session to Remove all feares & Jealousies of the people by such wayes & methods as are Just and Honourable—
